## GSNZ News—from the National Office

Welcome to the second edition of Enews for 2008. We trust you are enjoying the hyperlinks, and are open to any feedback you have about the new format.

### OTP Information

The significant and brave decision to transform our organisation has set in motion some pretty exciting projects for the next 12 months. After a year of structural reform we welcome a return to focus on programs and initiatives that deliver direct results to our members. The first update of the year will provide an overview of how we are going to deliver against our Organisational Transformation Plan, set out the key projects for the year ahead and includes some important information affecting day-to-day business. Click

on the below link to see the Chair and CEO Update: **This was distributed last week but a VERY important item to read!**

## General Information Classifieds

### Volunteer New Zealand Survey

Volunteer New Zealand has forwarded us an online survey to study the state of volunteer management globally. The results may provide some insights in developing appropriate training resources, provide data for publications and identify trends among other things. This is an opportunity for managers of volunteers to participate in an international survey and we would appreciate if you could forward the survey on to your network. Click [HERE](#) to see the survey.
